

The screenshot shows the RedNotebook application window titled "RedNotebook - example-journal - 07/10/17". The interface includes a top toolbar with icons for Back, Today, Forward, Preview, Template, Insert, and Format. Below the toolbar is a calendar for July 2017, with the 10th highlighted. The main content area displays a journal entry titled "My day" with the following text: "Today I went to the ****pet shop**** and bought a **#tiger**. We went to the ~~pool~~ park and had a nice time there. Afterwards we watched *//Life of Brian//* (http://en.wikipedia.org/wiki/Life_of_Brian)." Below the text is a broken image placeholder: `["file:///tmp/tiger".jpg?250]`. On the left side, there is a "Words" section with a search bar and a list of words including: afterwards, annotations, bought, brian, categories, category, click, cloud, could, different, documentation, entries, entry, example, export, ideas, items, journal, monty, movies, notes, remember.
